

Internship Letter

03/19/2026

Dear Bhavya Jain,

We congratulate you on the successful completion of your interview process and are pleased to confirm the acceptance of your application towards **YASH's internship program**.

Welcome Onboard!

It is with great pleasure that we welcome you to **YASH's internship program** which is designed to inspire, encourage, and support a new generation who will go on to make a difference.

During this period, you will work alongside our experienced staff in the area that most interests you, building on your existing skills and gaining new ones.

We value your insights and ideas and will give you every opportunity to make a real contribution as well, giving you a chance to learn your strengths, and bring fresh ideas and knowledge to challenging business problems. We encourage you to therefore think outside the box and try unconventional approaches without the fear of failure and take full advantage of this experience to learn all you can and make every effort to succeed in your projects.

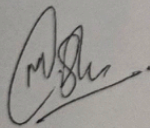

Amid this learning, do not forget to enjoy your journey. YASH Technologies is a wonderful place to start your career journey, and we will ensure to provide you with the YASH experience, every step of this journey.

Your **internship duration will be** starting from **03/23/2026 to 05/31/2026** and your **base location will be Indore - YASH IT Park-SC-DC (104)**.

For your efforts towards building YASH, your **stipend will be Rs. 15,000/- month**.

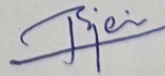

We look forward to your date of joining.

For **YASH Technologies Pvt. Ltd**
